FINANCE INDIA
The Quarterly Journal of Finance
www.financeindia.org

FINANCE INDIA is the official publication of Indian Institute of Finance, published since 1987 regularly. The primary aim of the Journal is to promote research and dissemination of results of such research in Finance, Accounting and related areas. The Journal is intended to provide a platform to perform for interdisciplinary study of various aspects at Indian Institute of Finance, 45A, Knowledge Park III, Greater Noida, UP 201310, INDIA.

The Journal publishes articles, research papers, abstracts of doctoral dissertations, contents of articles published in journals, book reviews, abstracts of books recently published, an extensive bibliography on one of the areas related to Finance, and statistics on Indian and World Economy (macroeconomic indicators, money and banking, international finance, public sector enterprises and industries, etc.). The Journal includes seminar & conferences and placement positions in the world of finance.

The Journal is published twice a year in March, June, September and December.

The research studies published are given wide coverage in national and international media. They are considered carefully, acknowledged and thereby contribute to the growth of the scientific community and the economy.

The Journal Impact Factor is 8.683 (29th January 1997) apart from a series of others, including TV and Radio.
